I am told that Pedregon was DC over Ops Support/Mission Readiness and Willie Hitchcock was Ops. Not sure if that changed when Hitchcock left. Looks like Fabrianne Pedregon, wife of Teresa Pedregon, is an acting Ops Officer over Stonegarden, K-9, Public Affairs, etc. Not sure how that plays out for you, as I guess one can't report to the other...directly anyway.

It only says "Division Chief" so I guess it's not specific to operations or support.
